

become a Steps for Life **NATIONAL SPONSOR** welcome

Thank you for your interest in becoming a Steps for Life National Sponsor. Threads of Life relies on the generous support of many individuals and organizations to raise money for our programs and services - and we appreciate your commitment.

HOW YOUR DOLLARS HELP FAMILIES OF WORKPLACE TRAGEDY

- Allow family members to receive peer support from a Volunteer Family Guide
- Send family members to a regional Family Forum where they learn healthy coping skills
- Provide information and resources through our web site and our newsletter
- Train family members to become injury prevention champions in our national Speakers Bureau

Each company, and every person has a different “why” for participating, and a different way to support Steps for Life. Whatever the why, the way and the where, we all walk together.

There are no words to explain how much Steps for Life means to us (at EllisDon) and what it stands for. It's an honour to be part of this!

See you next year!!!

Steps for Life

Steps for Life – Walking for Families of Workplace Tragedy is the flagship fundraising event for Threads of Life. Since 2005, Steps for Life has not only increased health and safety awareness but it has also raised more than \$6.5 million to provide support programs and services to families affected by a workplace life-altering injury, occupational disease or fatality.

In 2021 due to the continuing uncertainty of the pandemic, communities held virtual events and shared them online. In spite of the challenges, Steps for Life still raised more than \$545,000.

How you can support and sponsor this event:

In addition to registering and walking, you can become a National Sponsor. There are various opportunities for national partners to sponsor the event.
